4. Cancellation conditions

In accordance with article L121-20-4 of the Consumer Code, park tickets, cinema tickets, ski passes and other tickets (for shows, events, concerts, theater, etc.) are not subject to the right of withdrawal. It is specified that some experiences, attractions, entertainment and ancillary facilities may operate on a seasonal or meteorological basis or may be closed, delayed, modified, unavailable or cancelled without notice or refund.

A ticket cannot be reimbursed, even in the event of loss or theft, nor can it be taken back or exchanged, except in the event of exceptional closure and the organizer's decision to reimburse tickets OR subscription to the Serenity Pack, for products offering this.

In the event of cancellation by the customer, no refund is possible, unless the customer has selected a serenity pack and has sent an email to contact@waterglisse.com before the time and day of the activity, in order to obtain a full refund.

It is however possible, subject to availability and with a minimum of 48 hours' notice before the event, to postpone the event to a mutually convenient date (except for nautical activities including-catering).

In the event of bad weather, NAUTIC LOISIRS MEDITERRANEE and its subsidiary companies are the sole judges of the possibility or impossibility of providing a service.

- If the weather conditions do not alter the possibility of carrying out the activity in complete safety, the activity will not give rise to a refund, except if the customer has selected a serenity pack and has sent an email to contact@waterglisse.com before the time and day of the activity, in order to obtain a full refund of the activity. Serenity packs are not available for all products. Refunds only apply to activities linked to insurance.
- If weather conditions prove dangerous for the practice of the activities, NAUTIC LOISIRS MEDITERRANEE and its subsidiary companies undertake to offer two postponement slots. In the event of refusal on the part of the customer, the service will not give rise to a refund unless the customer has selected a serenity pack and has sent an email to contact@waterglisse.com before the time and day of the activity, in order to obtain a full refund of the service. Serenity packs are not available for all products. Refunds only apply to activities linked to insurance.
- In the event of impossibility due to force majeure, no reimbursement will be made.

5. Disputes

In the absence of an amicable agreement, any dispute relating to our services shall fall within the exclusive jurisdiction of the competent Commercial Court (or Administrative Court for local authorities).
